

To the Ends of the Earth

Acts 1:8

Holy Spirit Conference

August 1-4, 2012

Speakers

Diane Brask grew up on a dairy farm in rural Wisconsin and that experience influenced her to serve the needs of rural people in the US and among some of the neediest rural communities in the world. Through the ministries she serves, in 2011 there were 13,000 decisions for Christ, about 40 different unreached people groups heard the gospel, 48 churches were planted, and 385 leaders attended seminars. Diane is an engaging speaker whose stories of outreach will inspire and challenge you.

Bill Davis is a dynamic speaker who is highly gifted in giving words of knowledge. Before coming to Christ, his life of crime and drugs landed him in a cell next to Charles Manson. Bill met God on his way to commit suicide and discovered that He had a plan for Bill's life. He was instantly healed, transformed and delivered from all of his addictions. He and his wife Darlene travel internationally teaching on the power and grace of God. (BillDavisMin.com)

John Paul Jackson has been a spiritual advisor, pastor, teacher, and friend to leaders and believers in more than 20 countries. His premier course, *The Art of Hearing God*, has successfully graduated more than 30,000 students. John Paul has been at the forefront of prophetic ministry for over 25 years and has trained thousands of people to reach the lost through prophetic evangelism. He has authored seven books, some of which have been published in multiple languages around the world. (StreamsMinistries.com)

Steve Sjogren is the founding pastor of the Cincinnati, OH, Vineyard that grew from a handful to 7,500 in just fifteen years. As the church served about 12 million people during that time, the tone of the city literally changed. His fresh approach to evangelism by serving people into relationship with Christ began touching the lives of many who read his first of many books, *Conspiracy of Kindness*. We will be engaging in a Kindness Outreach on Thursday afternoon as one of our workshop options. (SteveSjogren.com)
